

DATE: June 15, 2000
TO: Alfredo Suarez, P.E.
Fire Marshal
Miami-Dade Fire & Rescue.
FROM: Richard Garcia, R.A.
Chief, Capital Expansion Projects
SUBJECT: Approval of Life Safety Master Plan Requirements Division
Section 4:3, FIRE ALARM, dated December 1999

The above referenced section was not yet completed at the time of the MIA Terminal Complex Life Safety Master Plan (LSMP) approval ceremony on January 5, 1999 so it could not be included in the document at that time. It has now been reviewed by, revised, and approved by the appropriate MDAD and MDFR staff members for inclusion in the approval LSMP. A final copy is attached.

This letter is to request formal approval of this section and its insertion into the LSMP. If you are in agreement, please indicate that fact by returning a copy of this letter with your original signature in the space provided below. It is urgent that we provide this information to all those involved in the MIA Capital Improvement Program as soon as possible. Therefore, I am requesting that your response reach me by the close of business on June 23, 2000. If you have any questions or are unable to comply with this request, please contact me at 305-869-1040.

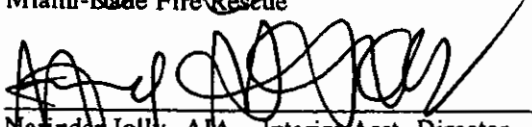

Thank you very much.
