

Idle Run Permit
Page 2

- 5. The Idle Run, whenever possible, will be conducted in a way so that a building will buffer the noise going north into surrounding communities.
- 6. An authorized representative of the Permit will obtain, prior to the Idle Run, approval from the on duty Aircraft Noise Officer ("Noise1") or Ramp Control Senior Agent ("Ramp 1") at least 15 minutes prior to the requested Idle Run. The contact numbers are as follows:

Monday through Friday (0800 to 2000) call the Aircraft Noise Abatement Office at:
Office/Mobile: 305-876-7526

Saturday and Sunday (1100 to 1800) call the Aircraft Noise Abatement Office at:
Office/Mobile: 305-876-7526

In the event that Noise Abatement cannot be contacted, please call MDAD Ramp 1 at:

Mobile: 305-815-7390
Office: 305-876-7001
GAC: 305-876-7550

- 7. The Permit Holder agrees to point the tail of the aircraft south whenever feasible.
- 8. An Idle Run cannot begin until a Miami-Dade County Aviation Department representative arrives at the site.
- 9. Proper identification must be displayed at all times.
- 10. Any failure to abide by the above rules will result in the loss of the Idle Run Permit.

Signature _____

Name/Title _____
