

Miguel Southwell
Assistant Aviation Director of Business Retention and Development

Mr. Southwell is responsible for commercial operations, marketing and real estate management at Miami International Airport and Miami-Dade County's four general aviation airports. Prior to joining that staff at Miami International Airport, Mr. Southwell served at Hartsfield Atlanta International Airport for 11 years in a number of positions, including Acting Assistant Director of Business and Finance, where he directed the divisions of Finance, Accounting, Properties, Airport Concessions, Ground Transportation, Marketing, Public Relations and Intergovernmental Affairs. He was also an adjunct professor at Georgia State University in Atlanta and taught a number of transportation management courses, including airline and airport management, marketing and public relations. Prior to his airport career, Mr. Southwell was a banking executive and also worked in the airline

industry. He holds a Bachelor's degree in Management from Portland State University and a Masters degree in International Business from the City University of New York.

Among the many local and international business and civic organizations that he serves, Mr. Southwell is a member of Airports Council International's (ACI) World Governing Board in Geneva, Switzerland, where he represents the Latin American and Caribbean region. ACI is the six-region association of airports around the world. Mr. Southwell is from the Caribbean nation of Antigua and lives in Miami with his wife Allison and two sons Kiel and Sean.
