

SANDRA BRIDGEMAN, CPA
Division Director, Accounting

Sandra Bridgeman is the Controller and Accounting Division Director for the Miami-Dade Aviation Department (MDAD), which operates Miami International Airport and four general aviation airports. Ms. Bridgeman joined the Aviation Department in 2006 and has quickly mastered the complexities of MDAD's finances. Her duties consist primarily of the oversight of the day-to-day accounting functions of the Department, which include revenue control, credit and collections, accounts payable, general ledger and fixed assets, and financial process analysis.

Prior to joining MDAD, Ms. Bridgeman was Finance Division Chief for the Miami-Dade County Parks and Recreation Department. In this post, she managed the finances of multiple facilities of diverse disciplines including community parks, beaches, restaurants, marinas, golf courses, two historic mansions and the county's zoological park.

Other positions with the County have included: Capital Improvement Projects Analyst with the Office of Capital Improvement Construction Coordination, where she dealt with many aspects of construction; and Budget Coordinator with the Parks and Recreation Department, where she kept track of construction projects and their funding.

Ms. Bridgeman has a bachelor's degree from Barry University and a master's degree from Florida International University. She is also a Certified Public Accountant (CPA) licensed in the State of Florida and a member of both the Florida Institute of CPAs and the Government Finance Officers' Association.
