Emotion: The Face as Expressive Canvas

Digital Exhibition

May 6, 2021 – October 7, 2021

Miami-Dade County Public School students (Grades K-12) studied self-portraits by Amedeo Modigliani, Pablo Picasso, Henri de Toulouse-Lautrec, Lucian Freud, and many others. This digital exhibition consists of student work that explores the use of the human face as expressive canvas. The works offer contemporary views with a twist to classical portraiture.
