The Bidder's failure to comply with the DBE participation provisions may result in the Bid not being considered for award.

14.2 The summation of the of items 1-69 in the Schedule of Bid Price Form will be obtained by multiplying the estimated quantities by the unit bid prices entered therein, together with lump sum bid prices, if any, will be considered as the total amount bid. 14.6 Within ten (10) calendar days after the Contract Documents are submitted to the recommended Bidder, the recommended Bidder shall deliver to the County the executed Contract Summary and respective Condition of Award Requirements. Failure by the recommended Bidder to execute and deliver the Contract Summary and

respective Condition of Award Requirements within ten (10) calendar days may result in the forfeiture of the bid guaranty to the County, which forfeiture shall be considered not as a penalty but in liquidation of damages sustained by the County. Award may then be recommended to the next lower responsive and responsible Bidder, or all remaining Bids may be rejected, and the Contract may be re-advertised.

15. FURNISH BONDS AND INSURANCE

15.1 Within fifteen (15) calendar days from the date of Notice of Award presented to the successful Bidder, the Bidder shall deliver to the County, the Performance Bond, the Payment Bond and satisfactory evidence of all required insurance coverages.

16.1 Failure by the Bidder to deliver the other applicable forms, furnish the Performance and Payment Bonds, and to furnish satisfactory evidence of all insurance coverage within fifteen (15) calendar days from the date of Notice of Award presented to the successful Bidder may result in the annulment of the award and the forfeiture of the bid guaranty to the County, which forfeiture shall be considered not as a penalty but in liquidation of damages sustained by the County. Tentative Award may then be made to the next lower responsive and responsible Bidder, or all remaining Bids may be rejected, and the Contract may be re-advertised.

17.1 The Bidder shall comply with Miami Dade County Code Section 10-38, which prevents Contractors, Subcontractors, their officers, their principals, stockholders, and their affiliates who have been debarred by the County, from entering into Contracts with the County during the period for which they have been debarred. AFFIDAVIT No. 4
TRADE RESTRICTION CLAUSE

Pursuant to 49 CFR, Part 30.13, FAA Order 5100.38, the Entity, by submission of a bid an offer and/or execution of a contract, certifies that it:

- a. is not owned or controlled by one or more citizens of a foreign country included in the list of countries that discriminate against U.S. firms published by the Office of the United States Trade Representative (USTR);
- b. has not knowingly entered into any contract or subcontract for this project with a person that is a citizen or national of a foreign country on said list, or is owned or controlled directly or indirectly by one or more citizens or nationals of a foreign country on said list;
- c. has not procured any product nor subcontracted for the supply of any product for use on the project that is produced in a foreign country on said list.

Unless the restrictions of this clause are waived by the Secretary of Transportation in accordance with 49 CFR 30.17, no contract shall be awarded to a contractor or subcontractor who is unable to certify to the above. If the contractor knowingly procures or subcontracts for the supply of any product or service of a foreign country on said list for use on the project, the Federal Aviation Administration may direct through the Sponsor cancellation of the contract at no cost to the Government.

Further, the contractor agrees that, if awarded a contract resulting from this solicitation, it will incorporate this provision for certification without modification in each contract and in all lower tier subcontracts. The contractor may rely on the certification of a prospective subcontractor unless it has knowledge that the certification is erroneous.

The contractor shall provide immediate written notice to the sponsor if the contractor learns that its certification or that of a subcontractor was erroneous when submitted or has become erroneous by reason of changed circumstances. The subcontractor agrees to provide written notice to the contractor if at any time it learns that its certification was erroneous by reason of changed circumstances.

This certification is a material representation of fact upon which reliance was placed when making the award. If it is later determined that the contractor or subcontractor knowingly rendered an erroneous certification, the Federal Aviation Administration may direct through the Sponsor cancellation of the contract or subcontract for default at no cost to the Government.

Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render, in good faith, the certification required by this provision. The knowledge and information of a contractor is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

This certification concerns a matter within the jurisdiction of an agency of the United States of America and the making of a false, fictitious, or fraudulent certification may render the maker subject to prosecution under Title 18, United States Code, Section 1001.

_____The Entity affirms under oath that the Entity will comply with requirements of 49 CFR, Part 30.13, FAA Order 5100.38

A claimant, except a laborer, who is not in privity with the Principal and who has not received payment for its labor, materials, or supplies shall, within 45 days after beginning to furnish labor, materials, or supplies for the prosecution of the work, furnish the Principal with a notice that it intends to look to the bond for protection. A claimant who is not in privity with the Principal and who has not received payment for its labor, materials, or supplies shall, within 90 days after performance of the labor or after complete delivery of the materials or supplies, deliver to the Principal and to the Surety written notice of the performance of the labor or delivery of the materials or supplies and of the nonpayment.
